

Slimline Sweepovac Kitchen vacuum for plinths

- > Easy installation
- > Reduces household work – no bending and no dustpan
- > Strong suction power: Dirt, crumbs, even pet hair are sucked in immediately
- > Can be used to suck debris off brush head
- > Re-usable dust bags are easy to remove
- > Bags can hold up to 12 weeks of sweepings

- > Area of application: For kitchens or utility rooms, complete solution for caravans and motor homes, for min. plinth height 100 mm
- > Functionality: Kick switch with the broom or foot and the dirt that is brushed up in front of the kitchen vacuum for plinths is sucked in immediately. The new extending hose also allows vacuuming drawers and can therefore replace the vacuum cleaner in small living spaces
- > Cut-out: 342 x 94 mm
- > Power consumption: 650 W
- > Version: Kick switch for turning on or off, with bag full indicator light, safety cut-out – switch turns off automatically after 10 seconds
